PROFILE

I'm a recent graduate excited about web development, with solid skills in React, CSS, JavaScript. I love building interactive, user-friendly web applications. I'm keen to put my skills to use and gain real-world experience through an internship. I learn new technologies quickly and enjoy collaborating with others. I'm dedicated to continuous learning and staying up-to-date with the latest trends in the industry.

SKILLS

- **Languages:** JavaScript, TypeScript
- **Library:** ReactJS
- **Tools:** Git, VS Code
- **Other Skills:** Redux, Context API, Next.js

PROJECTS

Chat Bot

- Utilizing googles Gemini API which runs on Googles LLM model to generate text response.
